

2023 National Junior Cream of the Crop Award

The National Junior Cream of the Crop award recognizes cows owned by Holstein youth with exceptional milk production. All Junior-owned cows who produced at least 30,000 pounds of milk in a single 305-day of less lactation, completed in the previous calendar year are eligible for this recognition. All eligible cows are ranked based on their combined pounds of fat and protein produced in the lactation, and the top 75 cows are recognized annually.
