Top five most significant judging experiences:

- International Dairy Week - Holsteins

Barclay Phoenix farms in Greenbank, Ontario, Canada under the prefix Phoenix Holsteins. Barclay is employed as a Genetic Consultant with Select Sires Canada. In addition, he works closely with his father Earl and son Keaton to manage a 100 head beef cow operation. Barclay is also heavily involved in showing and merchandizing elite Holstein cattle and has managed numerous sales throughout North America including the Sale of Stars at the Royal Agricultural Winter Fair. He has owned, bred, or merchandised over 200 All-Canadian or All-American nominations over the years.
