Mikayla Krause resides in Como Texas on their family run dairy farm of Registered Milking Shorthorns and Holsteins. At Krause Dairy she farms with her dad and mom Curtis and Louanne Krause where they milk 400 head and raise all of their young stock. On the farm Mikayla is in charge of day to day operations from feeding calves, maternity pen, general cattle health, book work, the show herd and working with the employees.

The Krause Family is no stranger to the show ring show at the local, state and National levels. Having Several National Class winners and All Americans through the years. A highlight was when Debbie, a Red and White Holstein, was Reserve Champion cow of the Junior Show at WDE. They have also received the honor of Premier Breeder and Exhibitor at NAILE for Milking Shorthorns.

Mikayla attended the University of Minnesota where their Dairy Judging team placed 1st at The All American Dairy Show and 2nd and reasons with Mikayla being named 2nd high individual. Later on judging at World Dairy Expo they were 2nd high team and 1st in reasons. Working with Juniors and Judging has always been a passion of Mikayla's. After moving to Texas in 2013 Mikayla worked extensively with the youth on the farm and in the show ring. Getting her start with judging at Local and Regional shows along with most recently judging in 2023 the National Milking Shorthorn Junior heifer show in Oklahoma.
