Trent is no stranger to the show circuit being involved for the past 20 years. Trent has been honored to be a part of many prestigious show teams since 2011 in which he has developed a stronger passion for good cattle, and kept him chasing his dream in breeding and developing high quality show cattle the past few years with his wife Laura. Trent was very active in the Shawano County 4-H Dairy program where he was on the judging team taking him to many national contests being top individual in various breeds, top placing individual along with top placings in oral reasons at national contests such as NAILE, and Ft. Worth. Currently, Trent is still active in the Shawano County Program being a coach.

As a fitter Trent had the honor to clip numerous All American & All Canadian nominees over his time in numerous breeds, and was privileged to have clipped 9 Grand Champions at World Dairy Expo, and 5 Junior Champions to date. Trent's got some great memories with great cows such as Blondin Redman Siesme-RED, and RF Goldwyn Hailey, along with having 3 animals represented in the Supreme Champion Drive under his care at World Dairy Expo in 2023.

Currently Trent along with his wife Laura, are employed at Betley Farms LLC overseeing their genetic facility that involves IVF services, donor boarding, embryo recipients, and live calf care. Trent Also is the herd manger of the main dairy where they milk 3000 cows in Pulaski, Wisconsin.
